FOODSERVICE

No matter whether local or exotic: If you want to create a unique taste experience, you need the best quality seasonings. At RAPS, we focus on what is close to your and your customers' heart: a wide choice of high-quality products inspired by global cuisine trends. Customers from the food industry, food service and retail butchery sector rely on our know-how to choose the best raw materials and use leading edge technology to ensure they receive the highest quality products and service.

Our range of products and recipe ideas are influenced by the increasing trend towards healthy eating and sustainable lifestyle. Our years of experience and indepth understanding of the food industry gives us the upper hand in the development of innovative ingredients. Our consumer-oriented solutions can bring creativity and diversity into your kitchen allowing you to create exquisite recipe dishes.

On the following pages, you will find creations which will fulfil every chef's wish. The high quality of our raw herbs and spices goes without saying: our experts use their deep knowledge and broad experience to trawl the world ingredient markets, building close ties with growers and producers to ensure only the best raw materials are used in our products.

Continuous development is important to us, as is the continuous expansion of our range of products. We pay special attention to the packaging of our products as well – discover our new improved tins:

- Optimised tin with slip lid
- New standardised appearance and label
- Flavour seal with flap for easy opening

PICTOGRAMS

NO ALLERGENS REQUIRING DECLARATION

Products without allergenic ingredients, such as soy, fish, nuts and gluten. No allergen labelling required according to FIC.

VEGETARIAN

These products contain neither meat nor fish respectively substances derived from meat or fish.

VEGAN

These products do not contain any ingredients of animal origin.

NO YEAST EXTRACT

Yeast extract has a broth-like flavour of its own and is flavour-enhancing because of the glutamic acid it naturally contains.

COOK & CHILL

Products marked with this symbol are suitable for cook & chill preparation.

CONTAINS ALCOHOL (>0,3%)

These products contain alcohol and should be avoided in the food of infants and young children and if feeding people suffering from addictions.

COLD THICKENING

Instant products containing starch which thicken in cold water. They bind liquids well when heated.

ABBREVIATIONS

NO MSG

Without glutamate added
